

## INTERACTIVE NOTEBOOK GRADING RUBRIC

**Instructions:** Please read each of the categories below. Within each category, there are a number of required items. Next to each requirement is a number in parentheses. This number is the number of points that should be awarded if the statement is an accurate evaluation of the notebook being graded. Please write the number of points awarded for each category, then add the points for each category to find the total score. Record this score at the bottom. An example column is done for your reference.
